Dear Assemblyman Smith:

I am pleased to inform you that the Board of the Women's Political Caucus of New Jersey voted this week to recommend you as a candidate for the New Jersey Legislature. We are impressed with your commitment to helping women in New Jersey and are proud to support you.

The Women's Political Caucus of New Jersey is a bipartisan organization dedicated to working to increasing the number of progressive women elected and appointed to every level of government. We also support pro-choice men who have supported our goals as well as issues of concern to women.

We would like to invite you to attend our press conference on Thursday, October 16, 2003 at the State House in Room 109 at 1:00 p.m. We will be announcing our endorsements and recommendations.

We wish you all the best in your campaign.

Sincerely,

Marianne McConnell

President,

Women's Political Caucus of New Jersey
