Dear Senator Smith:

On behalf of New Jersey State Nurses Association's Interested Nurses Political Action Committee (INPAC), we are pleased to inform you that the Board of Trustees has endorsed your candidacy for the New Jersey Senate.

Our members support you because they believe that you will advance legislation and lend support for some of the most serious issues facing nursing. We value your perspective on issues affecting health care in our State and look forward to working with you to develop solutions.

New Jersey State Nurses Association represents the over 110,000 nurses in New Jersey. Our mission is to promote the profession of nursing, advance the practice of nursing and advocate for nurses. Nurses play a pivotal role in both the delivery of healthcare and improvements throughout the healthcare continuum.

We hope this endorsement is helpful to your campaign. We have publicized your endorsement to our members through The New Jersey Nurse, our official newsletter and through press releases. Again, we thank you for your support and wish you great success in the election and in your term in office.

Sincerely,

Kathleen Gillespie
