

NEW JERSEY CITIZEN ACTION

October 17, 2017

Dear Senator Bob Smith,

I am writing to let you know that New Jersey Citizen Action's (NJCA) Political Action Committee is proud to endorse you in your re-election campaign for New Jersey Senate.

We live in unprecedented times and we are in great need of strong, principled, and progressive leadership at the state level to improve the lives of working families and to protect us from negative attacks from Washington. Through your service to the Legislature these past years, you have shown you have the capacity to provide that leadership for NJCA's members, and all who reside in LD 17.

New Jersey Citizen Action's screening of candidates for endorsement is one of the most comprehensive done by any progressive group in the state. We only endorse candidates who stand with and for progressive values on a wide range of issues, from health care, to consumer rights, good government, utility, tax and budget policy, environment, education and more. We are especially pleased this year to support candidates like you who support universal health care, a state paid sick days and expanded paid family policy, consumer rights against surprise medical bills, a \$15 minimum wage, adequate funding for public education, affordable college tuition, and action on climate change.

Please share this letter with voters in your district to let them know of NJCA's endorsement. Best wishes for your continued success.
